Share your harvest

Many residents of Orange County enjoy bountiful harvests of fruit and vegetables from their own gardens, and many produce more than one family can eat.

The Harvest Club would be pleased to help with the overflow. Part of the Orange County Food Access Coalition, the club provides fresh, healthy food to

the hungry by harvesting excess garden produce and donating it to food pantries, churches and soup kitchens.

The Harvest Club is seeking harvest captains and volunteer pickers for weekday or weekend collection. Visit theharvestclub.org, or email info@theharvestclub.org for information.
